

2012 Bastrop Bears Touchdown Club

To Potential Touchdown Club Members:

Our student athletes achieve tremendous success and recognition for the Bastrop Independent School District. With your participation, the Touchdown Club can help them achieve even more this school year.

The mission of the Bastrop Touchdown Club is to support, financially and physically, the Athletic Department of Bastrop High School in accordance with established policies of Bastrop High School, Bastrop Independent School District, and the University Interscholastic League. Annual membership is \$10.00 per family and runs from May 1st through April 30th. All money earned goes directly back to our kids through equipment, meals, awards, letterman jackets and banquets. All of this is made possible for our student athletes, through donations, fund-raisers and membership. If you want to take an active role in deciding how to best support our athletes, come join the club.

To become a member, please complete and return bottom portion, along with a check payable to Bastrop Touchdown Club, PO Box 2162, Bastrop TX 78602-2162. For more information, please visit the TD Club page at www.bastropbears.org or email us at bastroptouchdownclub@yahoo.com.
